Subject: COVID positives from Ruby Princess
Categories: Completed

As briefly discussed with Sean, two of the passenger swabs from the Ruby Princess are COVID +.
Our initial action is to notify the passengers: we will notify Wollongong of their case, and send the Tasmanian resident result to Ops to forward to Tassie.
Suggest a teleconference at 9:30 – could LOGS please send an appointment?
We note all passengers were asked to quarantine and the ship has a contact list for all passengers and crew.
Regards
Vicky
